An application was filed by Edelweiss Asset Reconstruction Company Limited (Financial Creditor), for initiating the Corporate Insolvency Resolution Process ("CIRP") of the Corporate Debtor under Section 7 of the Insolvency and Bankruptcy Code, 2016 ("IB Code" or "IBC") before the Hon'ble National Company Law Tribunal (NCLT), Chandigarh Bench. The CIRP of the Corporate Debtor was thereupon admitted in CP (IB) No. 291/Chd/2018 by the Hon'ble NCLT, Chandigarh Bench vide order dated 22.12.2023 and Mr. Sanjay Gupta was appointed as the Interim Resolution Professional. Thereafter, Committee of Creditors with a majority voting share appointed M/s ARCK</p>

Moreover, as per our understanding the company might have faced a major setback due to the aforesaid reasons and in turn sudden losses in company and increase in the financial pressure, few more reasons of which can be the failure of Business established; banks charging higher interest rates, over-burdened debt; lack of adequate leverage, lack of refinancing/ deferment support from the creditors, etc. All these seemed to have slowed down/reduced the performance of WYL. The above incidents have degraded the financial position of the Corporate Debtor, it was not able to repay its dues towards its creditors, not able to hold adequate working capital, and lack of management support and initiative. This resulted in default of payment of the dues of the creditors and further the financial burden coupled with other hardships faced by the company, the operations of the company were at standstill, while WYL was in distress.</p> <p>3. There could be other incidental reasons for the current situation of the company. Thus, Resolution Applicant understands that to address the cause of default, primarily it needs to bring complete overhaul in the assets of the company. The Resolution Applicant, through this Resolution Plan, has also provided for complete overhauling the assets to bring</p>

16. The Learned Counsel has once again reiterated the averments made in the Application and pointed out the relevant law and thus urged the Tribunal to allow the Application as prayed for.

17. The core point for consideration arises in the case whether the Resolution Plan in question satisfy the requisite conditions prescribed under provisions of Section 30 of the Code and it is in compliance with settled position of law or not. After examining the Resolution plan in question, if the Adjudicating Authority is satisfied that the plan is in accordance with law as prescribed under section 31 of the Code, the Resolution plan should be approved else it should be rejected.

18. As detailed supra, the Resolution plan in question meets the requirement as referred to in sub-section (2) of Section 30 and the Application

is filed strictly in accordance with law. And the Resolution Professional has followed principles of natural justice, while considering claims received against the Corporate Debtor and he has duly filed Form H furnishing all cardinal details of Resolution Plan.

19. It is settled position of law that once an Application is filed in prescribed format furnishing all the required material facts and if Resolution plan is approved is with the requisite majority by CoC by exercising its commercial wisdom, the Adjudicating Authority can hardly have any jurisdiction to reject it. In this regard, it is relevant to refer the judgement rendered in the case of **K. Sashidhar vs. Indian Overseas Bank** in Civil Appeal No. (10673/2018), (2019) 12 SCC 150, where the Hon'ble Supreme Court has, inter alia, held that:

"If CoC had approved the Resolution Plan by the requisite percent of voting share, then as per Section 30(6) of the Code, it is imperative for the Resolution Professional to submit the same to the Adjudicating Authority. On receipt of such a proposal, the Adjudicating Authority (NCLT) is required to satisfy itself that the resolution plan as approved by CoC meets the requirements specified in Section 30(2). No more and no less".

And held further in para 35 of the judgement that –

"the discretion of the adjudicating authority (NCLT) is circumscribed by Section 31 limited to scrutiny of the resolution plan "as approved" by the requisite percent of voting share of financial creditors. Even in that enquiry, the grounds on which the adjudicating authority can reject the resolution plan is in reference to matters specified in Section 30(2), when the resolution plan does not conform to the stated requirements".

Similarly, The Hon'ble Supreme Court reiterated this view in the case of **Essar Steel Vs. Satish Kumar Gupta & Ors. in Civil Appeal No.8766 67/2019, decided on 15.11.2019: (2020) 8 SCC 531** by holding that:

"...it is clear that the limited judicial review, which can in no circumstances trespass upon a business decision of the majority of the CoC, has to be within the four corners of section 30(2) of the Code, in so far as the Adjudicating Authority is concerned...."

The above ratio is again reiterated in the recent case if **Vallal RCK v. Siva Industries and Holdings Ltd. and Ors., (2022) ibclaw.in 63 SC**, wherein it is inter-alia held that:

"21. This Court has consistently held that the commercial wisdom of the CoC has been given paramount status without any judicial intervention for ensuring completion of the stated processes within the timelines prescribed by the IBC. It has been held that there is an intrinsic assumption, that financial creditors are fully informed about the viability of the corporate debtor and feasibility of the proposed resolution plan. They act on the basis of thorough examination of the proposed resolution plan and assessment made by their team of experts...."

Emphasizing yet again, that

"27. This court has, time and again, emphasized the need for minimal judicial interference by the NCLAT and NCLT in the framework of IBC."

20. We have heard the Learned Counsel for the RP and have carefully perused all the pleadings, extant provisions of the code and the relevant law.

21. Therefore, when tested on the touch stone of the rulings, and considering the facts of the case, we are of the view that the Resolution Plan satisfies the requirements of Section 30 (2) of the IBC and Regulations

& 39 of CIRP Regulations. We also find that the Resolution Applicant is eligible to submit the Resolution Plan under Section 29A of IBC.

22. It is hereby clarified that approval of the Resolution Plan shall not be construed as waiver of any statutory obligations/ liabilities of the Corporate Debtor and shall be dealt with by the appropriate Authorities in accordance with law. Any waiver/concession/ relief sought in the Resolution Plan, shall be subject to approval by the Authorities concerned. The Corporate Debtor has to approach the Authorities concerned for such reliefs, and we trust the Authorities concerned will do the needful. *"Approval of this plan by NCLT shall be deemed to be sufficient notice, which may be required to be given to any person for such matter and no further notice shall be required to be given"* as per the view taken by the Hon'ble Supreme Court in the case of **Ghanashyam Mishra and Sons Private Limited Versus Edelweiss Asset Reconstruction Company Limited** in **Civil Appeal No.8129/2019 with Civil Appeal No.1554/2021 and 1550-1553/2021, decided on 13.04.2021.:** (2021) 9 SCC 657.

23. With the above remarks, we hereby approve the Resolution Plan submitted by the Resolution Applicant, **M/s Mohini Health and Hygiene Limited**, and order as under:

- I. The Resolution Plan shall be binding on the Corporate Debtor, its employees, members, creditors, including the Central Government, any State Government or any local authority to whom a debt in respect of the payment of dues arising under any

law for the time being in force is due, guarantors and other stakeholders involved in the resolution plan.

- II. All crystallised liabilities and unclaimed liabilities of the Corporate Debtor as on the date of this order shall stand extinguished on the approval of this Resolution Plan.
- III. If the SRA fails to pay the amount as envisaged in the Resolution Plan to the stakeholders within the timeline fixed in the Plan, the entire amount paid by the SRA shall be forfeited.
- IV. It is hereby ordered that the Performance Bank Guarantee furnished by the Resolution Applicant shall remain in force till the amount proposed to be paid to the creditors under this plan is fully paid off and the plan is fully implemented.
- V. The Memorandum of Association (MoA) and the Articles of Association (AoA) shall accordingly be amended and filed with the concerned Registrar of Companies (RoC), for information and record. The Resolution Applicant, for effective implementation of the Plan, shall obtain all necessary approvals, under any law for the time being in force, within such period as may be prescribed.
- VI. Henceforth, no creditor of the erstwhile Corporate Debtor can claim anything other than the liabilities referred to in the Resolution Plan.
- VII. The moratorium under Section 14 of IBC shall cease to have effect from the date of this Order.

- VIII. The Applicant shall forward all records relating to the conduct of the CIRP and the Resolution Plan to the IBBI along with a copy of this order for information.
- IX. The Applicant shall forthwith send a copy of this Order to the CoC and the Resolution Applicant.
- X. The Registry is directed to furnish free copy to the parties as per Rule 50 of the NCLT Rules, 2016.
- XI. The Registry is directed to communicate this Order to the concerned Registrar of Companies, for updating the master data and also forward a copy to IBBI.

24. Accordingly, the Application bearing **IA(IBC)(PLAN)/1/(CH)/2025** is hereby **Allowed and Disposed of**.
