INDEPENDENT AUDITOR'S REPORT

**To the Members of
VEDANT KOTTON PRIVATE LIMITED
Indore.**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **VEDANT KOTTON PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022 and profit and its cash flows for the year ended on that date.

Basis For Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of financial statements of the current period.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have nothing to report in this regards.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standard specified under section 133 of the act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty

exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, is not applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting standard specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) Report on adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, is not applicable to the company.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company did not have any long term contract including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (iv) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

NOTE – 20

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS.

A. MAJOR ACCOUNTING POLICIES

1. Background

Vedant Kotton Private Limited is a private limited company incorporated in 2012 under the Companies Act, 1956 ('the Act').

2. Significant Accounting Policies

(i) Basis for preparation of financial statements

These financial statements have been prepared and presented on the accrual basis of accounting and comply with the accounting standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 to the extent applicable and other accounting principles generally accepted in India, to the extent applicable.

(ii) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles ('GAAP') requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of financial statements, and the reported amount of revenue and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from those estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

(iii) Fixed assets and depreciation

i. Fixed Assets are stated at cost of acquisition less accumulated depreciation and impairment, if any. Cost is inclusive of freight, duties, taxes and other directly attributable costs incurred to bring the asset to their working condition for the intended use.

ii. When an asset is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of accounts and resultant profit (including capital profit) or loss, if any, is reflected in the Profit & loss Account.

iii. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from foreign rate variations attributable to the fixed assets are capitalized.

Director

Depreciation/ amortization

i. Depreciation is provided under Straight Line Method and on the rates prescribed under the Schedule XIV to the Companies Act.

ii. Where during any financial year, from or after the incorporation of the company, if any addition during the year be made to any asset or where any assets will be sold, demolished, damaged or discarded, the depreciation on such assets shall be calculated on a pro-rata basis from the date of such addition or as the case may be up to the date on which such asset have been sold, demolished, damaged or destroyed.

(iv) Investments

The company does not have any Investment at present.”

(v) Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

(vi) Revenue recognition

a) Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

b) Revenue from sale of goods is recognized when significant risks and rewards of ownership of the goods have been passed to the buyer, which ordinarily coincides with dispatch of goods to customers.

(vii) Earnings per share (EPS)

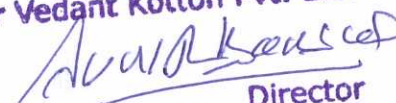

Basic and Diluted EPS are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

(viii) Taxes

Income tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effect of timing difference between the accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liability or asset are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Director

Director

Deferred tax assets are recognized only to the extent of there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

(ix) Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Loss contingencies arising from claims, litigation, assessment, fines, penalties, etc are recorded when it is probable that a liability has been incurred and the amount can be reasonable ascertained.

(x) Foreign Currency Transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled During the year are recognized in the profit and loss account of the year.

Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are Translated at the closing exchange rate and the resultant exchange differences are recognized in the profit and loss account.

(xi) Borrowing Costs

The borrowing costs that are directly attributable to the acquisition, construction or productions of a qualifying asset are capitalized as part of the cost of that asset. The amount of borrowing cost eligible for capitalization is determined in accordance with Accounting Standard (AS) 16-Borrowing Costs issued by the Institute of Chartered Accountants of India (ICAI) and specified u/s. 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014.
